

## Spring Volunteer Opportunities with Muskingum Valley Park District

- **March 21st, Volunteer Tuesday 10a - 2p : Invasives Removal**
  - Location: Mission Oaks Gardens, 424 Hunter Avenue, Zanesville 43701
    - We will be focusing on removing invasive privet, honeysuckle, and any other pesky plants we come across in and around the fairy garden in preparation for the fairies to return this spring! Please bring water, gloves, clothing you don't mind getting down and dirty in, and loppers / pruners if you have your own pair.
- **April 1st, Saturday 10a - 2p: Invasives Removal**
  - Location: Mission Oaks Gardens, 424 Hunter Avenue, Zanesville 43701
    - We will be focusing on removing invasive privet, honeysuckle, and any other pesky plants we come across in and around the fairy garden in preparation for the fairies to return this spring! Please bring water, gloves, clothing you don't mind getting down and dirty in, and loppers / pruners if you have your own pair.
- **April 6th, Thursday 10a - 4p: Growing in the Greenhouse**
  - Location: Greenhouse, Pitman Street, Zanesville 43701
    - Come join the team in our greenhouse as we prepare for our annual Native Plant Sale. We will be focusing on upsizing our plants into bigger pots. Please bring water, gloves if you have them, and wear clothes you don't mind getting dirty.
- **April 15th, Saturday 10a - 4p: Growing in the Greenhouse**
  - Location: Greenhouse, Pitman Street, Zanesville 43701
    - Come join the team in our greenhouse as we prepare for our annual Native Plant Sale. We will be focusing on upsizing our plants into bigger pots. Please bring water, gloves if you have them, and wear clothes you don't mind getting dirty.
- **April 18th, Tuesday 10a - 12p: Volunteer Tuesday: Invasives Removal Hike at Collegial Woods**
  - Location: Collegial Woods Trails, 1425 Newark Road, Zanesville 43701
    - Join the team as we hike our natural surface trails at Collegial Woods and battle the invasive plants that are choking out our natural species. Please wear sturdy footwear, and bring gloves, pruners/ loppers if you have your own pair, and a water bottle.
- **April 29th, Saturday 10a - 12p: Invasives Removal Hike at McGraw Edison Recreation Area**
  - Location: McGraw Edison Recreation Area, 6165 Park Lane, Zanesville 43701
    - Join the team as we hike our wooded trails around McGraw Edison Recreation Area and battle the invasive plants that are choking out our natural species. Please wear sturdy footwear, and bring gloves, pruners/ loppers if you have your own pair, and a water bottle. We will roast hotdogs after volunteering, so stick around for the Amphibian Palooza event!

### Events:

- **April 29th, Saturday 2p - 4p: Amphibian Palooza**
  - Location: McGraw Edison Recreation Area, 6165 Park Lane, Zanesville 43701
    - Bring the family out to McGraw Edison Recreation Area to explore the wonderful world underwater! We will be conducting a stream study looking for aquatic life, as well as doing a wetlands exploration in search for salamanders and frogs while learning about how important these things are to our ecosystems!
